**11 May 2021**

**Statement on the rocket attack on Israel**

We condemn in the strongest terms the rocket attack on Tel Aviv and other Israeli cities, which saw the terrorist organization Hamas firing more than 130 missiles from Gaza into Israeli territory and at least 3 deaths among civilians.

Such an indiscriminate attack on civilian population constitutes a war crime under international law, and demonstrates that Hamas leaders are not committed to a peaceful resolution of the conflict.

We call for calm and a cessation of hostilities.

**H.E. Yaroslav Mar**

President of the Federal Republic of Lostisland
