

GOVERNMENT OF THE  
FEDERAL REPUBLIC OF  
LOSTISLAND

---

H.E. Yaroslav Mar  
Federal President  
**LOSTISLAND**

18 January 2022  
Haarlem,  
the Netherlands

**Mr. President, Dear Yaroslav,**

Taking notice of recent changes in both my personal and private life, being more busy than ever with building my IT company, combined with the upcoming Municipal elections I have entered in my country of Residence, I no longer feel that I can give Lostisland the attention it needs and/or deserves.

As such it leaves me no option but to drop out of the upcoming elections planned for this year. Under a normal situation a candidate dropping out would endorse another candidate or perhaps his running mate in an election. However due to the low quality of candidates, I endorse the **strongest candidate**, but also beseech you to simply disestablish the office of Federal Prime Minister as it has little real added value for Lostisland.

**Kind regards,**

Rt. Hon. Denys Tezdzhanenko  
Prime Minister of the Federal Republic of Lostisland
