

GOVERNMENT OF THE
FEDERAL REPUBLIC OF
LOSTISLAND

GOVERNMENT ORDER

Having in mind the Constitution of the Federal Republic of Lostisland, the wishes of the citizens of the Federal Republic of Lostisland and common sense regarding the implementation of a direct democracy, is hereby ordered the following:

1. In light of the lack of legislation regarding Article II paragraph 3 and Article XX paragraph 2 of our constitution, the nomination of a referendum can be done by any citizens without a minimal number of nominators. Recognizing the impracticality of this, it is hereby ordered that a minimum of 5 (five) nominations for the same referendum within the period of 1 (one) month shall be necessary to call a referendum.
2. This Government Order comes into force on the day of signing.

Federal Prime Minister of the Federal Republic of Lostisland
